STUDENT CATERING GUIDE

WELCOME

Our no frills menu offers fast, convenient and affordable alternatives to our regular catering services just for student groups. Student orders will be pick up only and will be on all disposables. Events requiring table service or staff will need to order off the standard catering menu. Consult with our Catering Manager to add additional services.

Prices & Menu

Our menu prices are based on current market conditions. We reserve the right to make changes when necessary. Prices do not include state sales taxes when applicable, additional rental items requested, or minimum or delivery charge. All orders on the student catering guide are pick up only. Last minute substitutions may occur due to product availability. The Catering Manager will communicate this if this happens.

Confirmations & Guarantees

Final guarantees for the number of attendants at the event must be received at least 3 business days prior to your function so that we can make final arrangements. In the event that the guarantee is not received within the time requested, the bill will be prepared based on the initial number of guests anticipated on the Catering Event Order.
