**Pittsburg State  
University**

## Hi! WELCOME

Welcome to the dining program at Pittsburg State University, managed by Aladdin Campus Dining. We offer a program that meets the needs of today's college student. Each year you will experience exciting changes, fresh menus, and new enhancements to your dining experience. The enhancements will be a result of the feedback and input of students, faculty, and staff on campus.

## Special Dietary Needs

Pitt State's dining managers and a Registered Dietitian (R.D.) will work with students to help manage food allergies and special diets by working with physicians, dietitians, or qualified nutrition specialists to manage dietary substitutions by reviewing menus with students who have food allergies to determine what, if any, menu items need to be substituted.
